Cristian Sanchez

Full stack developer

GitHub: Asthere0n
LinkedIn:
cristian-sanchez-c

A former hospitality manager turned **Full-Stack Developer**. I use to lead teams in fast-paced environments - now I build responsive, user-focused web apps and tools using the **MERN stack**. Same chaos, just less dirty laundry.

SKILLS

Tools and Languages	JavaScript, TypeScript, ReactJS, NextJS, NodeJS, MongoDB, Git, GitHub, HTML/CSS
Communication	English (fluent), Spanish (native)
Other	Management, Leadership, Autonomy, UI Design

PROJECT SUMMARY
